

BEEKAY RABBIT MAINTENANCE DIET (BK005P)

Beekay rabbit maintenance diet is suitable for rabbits maintained in laboratories for experimental purposes.

For breeding and young growing animals breeding diet is recommended.

Product Information

Order Name: Beekay Rabbit Maintenance Diet (BK005P)

Main Ingredients: Wheat, Barley, Molasses, Dicalcium Phosphate, Grass Meal, , Extracted Linseed , Fat Blend, Minerals, Vitamins, amino acids

Form: Pellets, 3mm diameter

Presentation: 12.5kg paper sack.

Other packing available on request.

Irradiation: 25kGy, double wrapped and vacuum packed.

Other presentations on request.

Labelling

Each bag is labelled with

- Product reference
- Expiry date
- Batch identification

Quality Control Analysis

Independent laboratories perform physical-chemical and microbiological analyses on each batch of diet. Periodic full chemical analyses are conducted on selected batches to assure consistency over time.
